Your Sanctuary in the City

Sanctuary Lofts is a rare and utterly unique project,
in the heart of a neighbourhood that many people in
Toronto would love to call home.

Here at Sanctuary Lofts, a historic Presbyterian Church is being
converted into a collection of 14 authentic loft residences
which both honour the site's storied past and bring new life to
the vibrant Bloor West community which surrounds it.

If you've been seeking your own special place in the city,
you've found it here at Sanctuary Lofts.
