# AURORA AT ITS BEST

## SMALL TOWN CHARM. BIG CITY AMENITIES

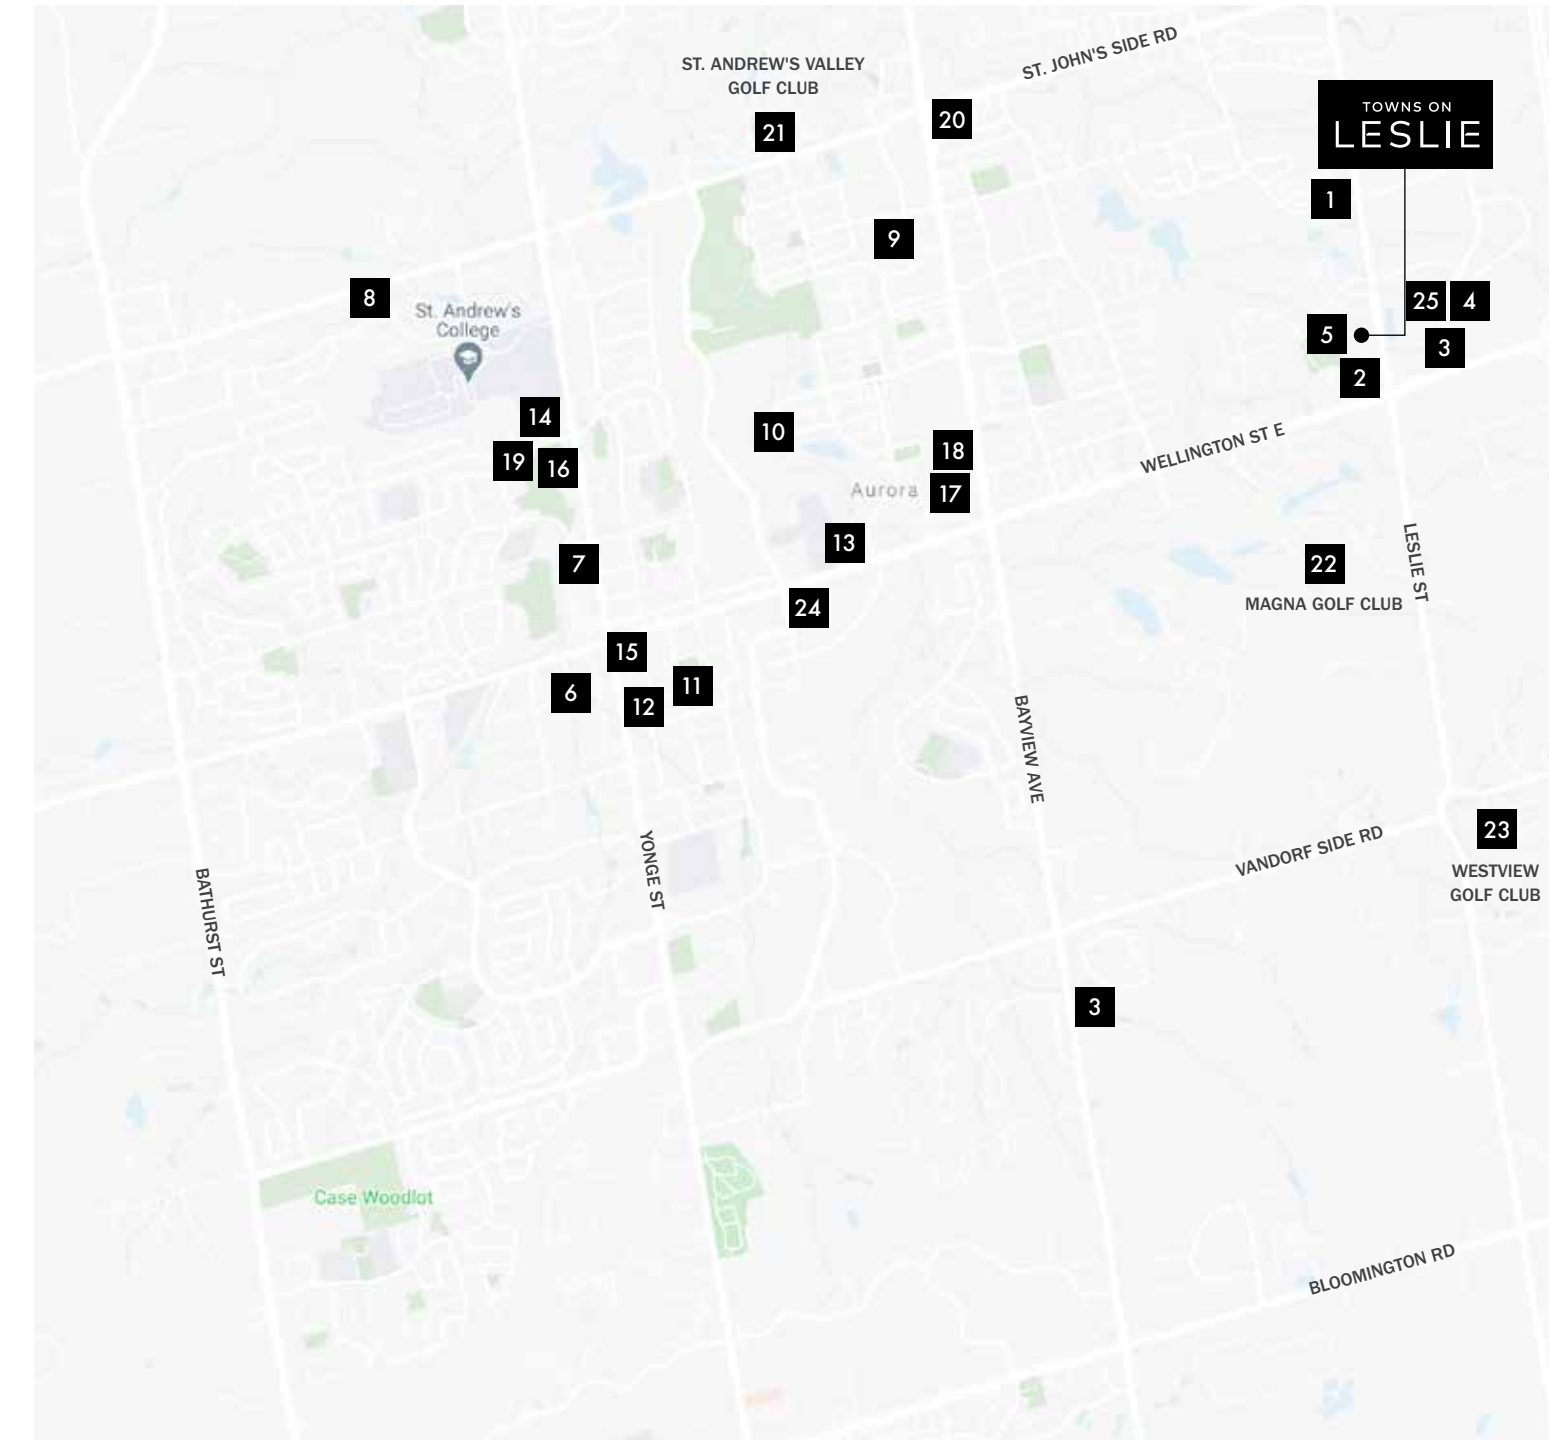

Small town charm abounds in this thriving urban centre. Amid leafy established neighbourhoods, you can find big-city amenities like top-tier schools, boutique shops, and local restaurants and services. Named one of Canada's "Top Places to Live," Aurora has an abundance of activities for the whole family to enjoy.

## GREEN SPACE

Explore the green space across 46 parks encompassing 780 acres, including tennis courts, soccer fields, basketball courts, and splash pads. Take a nature walk on the Nokiidaa Trail system along the winding Holland River, or carve your own path through the 57 km of maintained trails. Spend Sundays teeing off at St. Andrew's Valley Golf Club or attend one of the many community events put on by the Aurora Cultural Centre.

## GETTING AROUND

Getting around Aurora is a breeze with easy highway access and reliable transit. Highway 404 connects commuters to the rest of the GTA, and Go Transit has trains running to downtown Toronto every 15-30 minutes. Aurora is also serviced by York Region Transit (YRT) with several local routes and its Viva Blue Bus Rapid Transit service. Under the new Go Regional Express Rail plan, by 2024, train service will be increased to run every 15 minutes during peak, midday, evenings, and weekends using environmentally friendly electric trains instead of diesel.
